

May 6, 2016

Dear Students and Parents entering Grade 3,

The students entering grade 3 will be required to read at least one book during the summer. Reading not only keeps the brain and the imagination active, it also helps in sharpening skills already learned. I have chosen the following assigned book for the summer:

Chocolate Fever by Robert Kimmel Smith

Henry Green is a boy who loves chocolate. Unfortunately, he makes medical history with the only case of Chocolate Fever ever. Will he survive this medical mystery?

Please continue reading books of your choice throughout the summer. I am looking forward to working with you next year. Enjoy the summer and happy reading!

Sincerely,
Miss Leval
